

School Based Traineeships

Schools Information

School Based Traineeships (SBT) are a great opportunity for students to learn additional skills to complement their high school education. By supplementing class time with on the job experience students are able to build a solid foundation for a wide variety of careers. This is a unique opportunity for a student to **“earn while they learn”**.

First Impressions Resources [*fir*] offers the following service industry qualifications as School-based Traineeships;

- Certificate II in Retail Services
- Certificate III in Retail Operations
- Certificate III in Business (for School-based Trainees working in retail with units specific to the retail environment.)
- Certificate II in Community Pharmacy

Who?

- School students years 10, 11 & 1st term year 12

What are the benefits to the student?

- A large number of students already have casual jobs in retail – no need to source new employers
- For those not working, retail is the largest employer group for young people – easy access to employment
- Entry level qualification with units designed to give students higher level employability skills
- Highly transferable skills valued across a range of industries – finance, business, banking, health
- Maximises QCE points
- Certificate III in Business is being heavily supported by *fir*'s clients
- Attractive to employers due to the incentives available*
- *fir* trainers are dedicated to successful outcomes for students

* Criteria apply
